OFFICE OF THE DEPUTY COMMISSIONER,

Dated Kolar 11th Jan 1924

Mil 30-23-70

FROM

S. HIRIANNAIYA, ESQ, M A, B L,
Deputy Commissioner,

To

B Rangna Esq, Bar-at-Law,
Secretary to the Government of Mysore,
Local and Legislative Departments,
Bangalore

SIR,

With reference to your official memorandum No L 2840/Mil 30-23-33 dated 22-10-1923 forwarding for report a petition - - received from Mr Yasim Sab, the Vice President of the Mulbagal Town Municipal Council, making certain allegations against the Amildar-President of the Council, I have the honour to state - - as follows -

For some time prior to September 1923 I had been - receiving reports that affairs in the Municipality had not - - improved in spite of warnings and personal efforts to bring about an amicable understanding between the non-official Vice President Mr Yasin Sab, and the Amildars for the time being, viz, Mr Seeni-vasiah and Mr Abdus Subhan respectively I expected an - improvement when the present Amildar, Mr Subba Row Naik, took charge about May last but I was disappointed

2 I learnt that instead of taking an interest in the Municipality and controlling and guiding the Vice President who as will be shown later was given to vagarious ways the Amildar Mr Subba Row Naik, had left things to take their own course and had not presided over even a single meeting for about three months afraid as he explained to me afterwards of the bad influence of Mr Yasin Sab in the town I at once rebuked him that the - - - explanation only convicted him of incompetence and that he - -

(2) to look into the affairs and report thereon. I received complaints in the matter

He then interested himself in Municipal affairs and one of the first things which he did was to remove the Municipal Office and the Chavadi in the town to the Taluk office He also presided over a (1) next meeting and having looked into the records reported to me on certain irregularities which had been disclosed In the meanwhile I asked Mr B Sreenivasiengar, the then Sub Division Officer, to make an informal inspection of the office and furnish a report He did so and his report is in the file

3 When I was satisfied of the existence of irregularities I went to Kulbargi and looked into the records myself I was about to send up a report when I received from the Government Mr Yasim Saib's petition dated 15th September 1923 against the Amildar, Mr Subba Nayak

4 The Auditors of the Comptroller's office then came to Kulbargi to check the accounts and an extract of their special report is also enclosed. It will be seen from the records that besides numerous irregularities, there are at least three cases in which Mr Yasim Saib's conduct leads to a strong suspicion of misappropriation of public monies

Serial No	Item	Amount	Remarks
1	Sale of sandy collections for the year 23-24	2 months' deposit amounting to Rs. 70/- at Rs 35/- a month	On the sale like the Vice President Mr Yasin Saib who held the sale on 11-6-1923 has made a remark under the same date in his own handwriting and under his own signature that the amounts paid in to each of these items had been received on the strength of these receipts he (Mr Yasin Saib) was convinced by the Amildar on 11-6-1923
2	Sale of slaughter house collections for the year 23-24	2 months' deposit amounting to Rs 26/- at Rs. 13/- a month	
3	Sale of mutton stall collections for the year 23-24	2 months' deposit amounting to Rs 60/- at Rs 30/- a month Total Rs 160/-	

When questioned by me in respect of these transactions Mr Yasin Saib explained that he did not receive the monies on the dates

[illegible] from the parties concerned though so recorded by him on the records and that he had given time to the parties to make the payment - On all the information that has reached me this is not a true - - version of the transactions, but even assuming it to be so, he - - has over, I think, most improperly in making a false record and obtain-ing on the strength of it, a confirmation of the sales from the - - Amildar. For this conduct alone, if no other, he deserves to be - - removed from the office of Vice President

8 Another serious irregularity of which special mention may be made - one omission to credit to the Treasury a sum of Rs 55/- being the realisation of the sale proceeds of the old materials of the - - Chawdi which is under repairs Mr Yasin Saib's explanation is that he had advanced the amount again to the contractor and produced on 21-9-23 a receipt from his personal custody dated 13-5-1923 though to nearly all other questions put by me he stated that all the papers of the - office had been taken away by the Amildar to the Taluk Kuchori and - that he could not explain the procedure adopted by him in this - matter is exceedingly irregular if not suspicious

The other irregularities are set forth in detail in Mr Srinivasiengar's report and that of the auditor of the Comptroller's office. But special attention should be drawn to the fact that the Cash book had not been written up for more than a month and was full of corrections and erasures Comment is unnecessary

9 Turning now to Mr Yasin Saib's allegations against the Amildar, Mr Subba Row Saib, I may at once say state that this is the third - - Amildar with whom Mr Yasin Saib has quarrelled Mr Mecci had left a - note - I am sorry I can not readily lay my hands on it now - that Mr Yasin Saib's relationship with Mr Srinivasiengar was not satisfacto-ry and that Mr Yasin Saib was to blame During his visit to the - District in August 1922 the Dewan had to warn the Vice President to - mend his conduct Mr Abdus Subhan who succeeded Mr Srinivasiengar had soon the same complaint to make and I brought about an understand-ing which was as shortlived as the previous one (Vide my letter

No. 63/23-24 dated 10th February 1923 to the Revenue Secretary to Government, copy enclosed]

8. As regards Mr Subba Row Naik, my complaint against him was not that he interfered too much in Municipal affairs but that he did not take sufficient interest When he did so after my rebuke, Mr. Yasim Sab sent the petition under reference to Government sending me a copy Mr Subba Row Naik has also incurred the ire of Mr. Yasim Sab because he had to take coercive steps against him for the recovery of Tanvedi bank arrears (now in to about Rs 1200/- and also arrears of Kandayam dues by Mr Yasim Sab Government were sending strict orders that no consideration should be shown to defaulters on Tanvedi arrears and when Mr Yasim Sab's immoveables properties were brought to sale no bidders came forward - even the persons interested as mortgagees etc , having kept behind owing to the fear of Mr Yasim Sab The sale proved unfructuous and warrants had to be issued for the attachment of the moveable properties of Mr Yasim Sab

9 The fact is Mr Yasin Sab does not brook any officer's interference and wants to be left alone, even when he commits irregularities The Municipal Administration was going from bad to worse and when any control was exercised he was ready with a grievance that there was an attempt to " smash all Mahomedans in Kulbergal" and that all officers were under the influence of Mr Krishnamurthachar against him In that peaceful little town, there is no Hindu-Mahomedan dispute or problem and no weight need be attached to the statements of Mr Yasin Sab in this respect. I recollect he made a similar allegation against my predecessor, the previous Collector

By persuasion and firmness I gave Mr Yasin Sab many number of opportunities to mend himself In a self-governing institution such irregularities could not have been tolerated for a moment But when serious irregularities were suspected there was no alternative but to take the course of a full enquiry The Collector as taken I think therefore the Collector can not be blamed for taking the control into his own hands though perhaps he might have been a little tactless in doing so at the time of the visitation

10 In these circumstances I am disinclined to recommend that Mr Yasin

12

to be called upon to resign his post I think he will be agreeable to do so - failing which action under section 23 clause (b) of the Municipal Regulation may have to be taken for his removal for - - misconduct and negligence This is the only way out of the difficulty Not a single officer who has served in the district for the past two years has so far a good word to say about this gentleman He does not command any respect in the town though he is much feared I was considerate towards him to the verge of a fault but I regret that in the interests of the good name of the Municipality and Administration I could not recommend his continuance Action is being separately taken on the Auditors' remarks

// Since this letter was drafted I have received a report from the Amildar and copy of a petition sent to Government by certain Municipal Councillors that they left the Municipal meeting held on the 5th January 19[illegible] owing to the refusal of the Amildar to allow a - certain resolution I have not been able to grasp the latest phase of the situation but it shows clearly how a large body of the Municipal Councillors are under Mr Yasim Saib's influence willingly or unwillingly I am going to Kulbagal soon and shall send a further report after personal inquiry

I have the honour to be,

sir,

your most obedient servant,

Deputy Commissioner,

Kolar District

[illegible] dated [illegible] 10th February 1923 from the Head Deputy [illegible] to the Secretary to the Government of [illegible], Revenue Department

---

With reference to your letter No. L 4152/L B 49-22-1 dated the 31st December 1922 asking that an enquiry might be held on the objection petition contesting the validity of the election of Mr M Krishnamurthia chariar as the Vice President of the Dindigal Taluk Board, I have the honour to state that as directed in the letter under reply the matter was enquired into under my orders by Mr Jayanaetham Naidu, Revenue Sub Division Officer, Madura Sub Division I enclose herewith his report together with the connected papers in original for the perusal and orders of Government I entirely agree with the Sub Division Officer that the allegations of Mr Mahomed Yasin Sab in the objection petition are "not proven" It is extremely unlikely that the Amildar and President of the Taluk Board would have publicly at the time of election canvassed for votes for one of the candidates in violation of all the responsibilities of his position as alleged by Mr Mahomed Yasin Sab The record will show that Mr Mahomed Yasin Sab has been easily misled in this matter by interested persons among whom the local Sub Registrar Mr S T Ramaswamier ar, chiefly figures he is one of the signatories supporting the objection petition One of the supporters of Mr Mahomed Yasin Sab frankly denied knowledge of the allegation in the petition and Mr Mahomed Yasin Sab dare not summon any of the members of the Board who are said to have been influenced by the Amildar The fact that subsequent to this election Mr Krishnamurthiachar was elected as one of the Board's representatives on the District Board shows that he commands some influence among his fellow members

After the conclusion of the enquiry of the Sub Divisional Officer I went to Dindigal and interviewed Mr Mahomed Yasin Sab as to whether he had anything further to say in the matter and nothing to add to what had already been recorded by the Sub Divisional Officer

2 I agree also with the Sub Division Officer that the conduct of the Sub Registrar in taking active and partisan interest in election contests and controversies is reprehensible Independent enquiries confirm my belief that he was not a little responsible for the lack of -

With respect to the subject [illegible] of the Vice Pre[illegible]
with the [illegible] council this resulted in an unusual
explosion of the secretary of the Home's visit to Talbiral a similar
-ful error between the present subject Mr. Abdus Subhan and the Vice -
President Mr. Amin was threatening and during the last visit to -
Talbiral referred to above I brought about a reconciliation between them
as well as between Mr. Krishnamurthi Achar and Mr. Amin Sab though I do not
know how long the reconciliation may last I am making a reference to
the Inspector General of Registration for the immediate transfer of this
sub Registrar outside the district.

Sir

I beg to submit that I was elected Vice president by the Municipal Council of Mulbagal and my election was duly approved by the Government owing to party feeling in the town I was not occupying a bed of roses these two years, as the official presidents voluntarily or otherwise played themselves into the hands of the Opposite party And the climax has now been reached

Mr. K Subba Roo Naick, the acting Amildar of Mulbagal taking upon himself the cause of the defeated candidate and the Brahmens has come out with forth and zeal to exterminate the Mohammadens And in furtherance of his object he has committed acts which do no credit to the appointment he holds To come to my story. On the 5th inst. I sent a municipal cheque drawn in my favour to be cashed at the Local treasury and when the Municipal Servant was returning from the treasury with Rs 300-8-0 the Amildar president relieved the servant of the money and sent him his way as I subsequently learnt On the 2nd and 3rd and 4th insts. I was away from the head-quarter and during this period the whole of the

from

to Municipal Office Subsequent to my Complaint on the matter to the police, I learn that they have found their way to the Amildar magistrate's private Chamber On both these matters I have made seperate referances to the police

I beg leave to bring to the notice of Govt. that I have not only been deprived of all the records and furniture but that the whole of municipal Staff has been taken away from my Control and the municipal office itself has been locked by the president Thus in effect the Amildar has deprived me of the appoin- ment which the Government had graciously Conferred on me

I beg to Remain

Dear Sir,

As personally unknown to you, in the course of a conversation some time back I informally suggested the transfer of the office accounts at Mulbagal with the permission of the President on 9-9-1923 I append for your information a copy of my notes of inspection as the inspection was informal I have not obtained explanation on any point noted in the notes I understand that the more serious irregularities detailed in the accompanying memo have already been brought to your notice

I Cash Book

This is an important register but it is
not maintained as per rules. There are many corrections
and erasures, which are not attested by any body.
The cash book does not seem to have been in-
spected either by the president or the Vice presidents
for months, together it does not bear any body's
initials in token of such examination

The receipts and disbursements are also not
written in the cash book for several months for
instance, disbursements had not been noted in
the cash book since Nov 1921 to 19-4-1922,
when, the president (Mr Subba Rau Naik) made
a remark to this effect subsequently entries as
from 3-11-1921 have been made it is not known
why this was not found out by the Vice president
if he had examined the cash book every month
as he ought to do, he would have found out
the mistake and rectified it immediately This
irregularity requires explanation it is said that the cash
book was missing during the period in question
and consequently no entries could be made in it,
that the clerk then maintained a katcha book,
wherein he used to enter the items (both dis-
bursements & receipts) and that he brought for-
ward all those items in the cash book, when
it was traced out. The katcha book that the
clerk had then maintained is not traceable now
to verify, if all the items have been entered in

the cash book so it cannot easily be verified if the items now entered in the cash book for the period in question are in order. The explanation if true makes the irregularity more serious.

2 The rent amounts due in respect of the following items have not been received and no steps seems to have been taken as yet for them coming.

Items	Month of the year for which rents are due			Remarks
	1921-22	1922-23	1923-24	
(1) Shandy collecting	June 22 Rs 25/-	Jan 23 to June 23 (6 months) Rs 180/- at Rs 30/- per month	2 months deposit amount Rs 70/- at Rs 35/- a month	On the sale record the V P who held the sale on 14-6-23, has stated that the amount has been received and consequently the sale has been confirmed in favour of the Purchaser. But the amount has not been credited to the Treasury till now
(2) Slaughter house		Dec 22 to June 23 (7 months) Rs 80-8-0 at Rs 11-8-0 per month	— Do. Rs 26/- at Rs 13 a month	— Do.
(3) Mutton stall		Dec 22 to June 23 (7 months) Rs 217/- at Rs 31/- a month	— Do. Rs 64/- at Rs 32/- a month	Do.
Total	Rs 25/-	Rs 477-8-0	Rs 160/-	= Rs 662-8-0

3 It is regrettable that the 2 months deposit, in respect of the sale of these contracts for the current year, amounting to Rs 160/-, which, from the sale records appears to have been received by the V P have not been credited to Treasury or accounted for till now. This is a serious irregularity. If it has not been received, how the V P, who conducted the sales, certified on the sale records that the 2 months deposit amount had been received and submitted the sale records for confirmation is not understood.

The

[illegible] receipt, a receipt number is
received immediately the president does not appear
to have satisfied himself that the deposit amount has
been credited to the cash book and remitted to
the Treasury before endorsing the sales. The records
do not show that the sale purchasers have been
intimated of the confirmations of sales and that
they have executed a multistamp also bonding
themselves to certain conditions as understood
that they have however been collecting the fees
the accounts show that one Khat for July 23
has been paid by them No petty cash book is maintained

II Imprest Book

The municipality has an imprest of Rs100/-
a sum of Rs10/- has been spent on 27-2-23 for the
purchase of cyclostyle papers and the has not
been recouped as yet The book shows that
there are no transactions since then

III Water collection Register

A register is maintained in tallies with
the cash book But the days collections are
not being closed every day & the receipts are
not regularly credited to the treasury at the close
of the month they are being credited after a
lapse of a week or a fortnight The previous
months collections & part of the current months
collections are being credited together The register
is not being audited by any body the days
has not been mentioned in every

IV Mohalla Registers

There are outstanding arrears appropriate
either by the president or the VP the members

The Bank-pass has not been signed by the President. The gamabandy for 1922-23 was Rs 2777-11-0. The Khoda has not been enamined by anybody

V Building site, Varga-vari and other Registers

Not maintained but one register for building sites has been opened from 1-7-23

VI Furniture

There is no register maintained and as such the stock of furniture cannot be verified. There are however, one table, one small pigeon-hole, one bench and 2 chairs in the room in which the office is now held. A register should be opened immediately.

VII Issue and To Registers

Maintained. There are many papers bundled and heaped up. They are to be sorted and filed papers separated

VIII Work Register

The register shows that there are 2 incomplete works of last year. The date from which they are pending execution cannot be determined from the register. One more estimate for constructing stabled wall to the Gajapendra in the Pushpagiri Town was sanctioned in June 1923 and this has not been entered in the Work Register. It is ascertained that estimates for 2 works were sanctioned during

the last year and there have not been entered in the Register it is said that revised estimates are under preparation Nevertheless this is an omission which should be rectified at once

IX street lanterns

There is a list prepared by the sanitary inspector on 20-7-20, but not attested either by the president or the V P According to the list there are 50 lanterns. It should be verified under the orders of the Vice president

X Service Registers

The municipal staff consist of the following -

1	clerk
1	Bill collector
1	Daroga
2	peons
12	Sweepers
2	Scavengers
1	Watchman

There is only one Service Register for the Daroga the Service Register of the clerk (Venkata-Samiah) is said to be in the Revenue branch of the Taluk office and it may be got and posted up at once As regards others there are no Service Registers maintained The Service Register of Daroga (Ramanna) has not been verified since 1st July 1922.

XI Monthly meeting-proceedings Book

A Register is maintained The meetings are being held monthly. The meeting convened to be held on 30-10-22 was adjourned to 1-11-22 but the endorsement has not been signed either by the president or the V P The meeting

was actually held on 4-11-22 A meeting seems to have been arranged to be held again in Nov 1922 without fixing the date, but at the end of the agenda there is a note made without date that the meeting would be held on the morning of 28-11-22 for want of quorum

In certain instances meetings are adjourned without fixing the date & held on date not previously notified the attendance & the numbers present as well as the absence of those not present, has not been invariably noted and as such it is not possible to know if there was the quorum on the days for which meetings were originally convened and they were held

XII Financial condition of the Municipality

The closing balance for the month of Aug 1923 is Rs 5-160-2-4

	Budget for 22-23		Draft estimates for 23 24	Opening Balance
	Estimated	Actual	Estimated	
Receipts	Rs 5-875/-	Rs 5-110-15-6	Rs 8695/-	Rs 1614-5-3
Expenditure	Rs 9572/-	Rs 5054-10-11	Rs 9398/-	Closing Balance Rs 5-311-5-3

The increase in Receipts in the draft for the current year is shown to be due to the enhancement of rates in accordance with, proposed by the municipal council The estimate of income appears to be made to [illegible]

The increase in expenditure is stated to be due to provisions having been made for incomplete works and for the contingent allowance

allowances to the Vice president. The expenditure should be well within the amount
No amount has been invested in the Savings Bank or elsewhere

XIII Location of the office

The Municipal office was hitherto being held in the chavadi in the town and it has since been shifted to the Taluk office building under the orders of the president.

[illegible] Explanation [illegible] Cper 1 36 21-22

Ms 5 :- As per circular orders issued by the Deputy Commissioner in his No LRC 1464 dated 18-7-21 & 28-9-21 Stating that there was leakage in the collection of octroi in the Municipalities & to prevent such leakage by effective watch and vigilance on the work of Collections the President himself Supervised during Some Shandy and also issued necessary orders to the Sanitary Inspector to Supervise collection work Mr Ahamed Hussen Khan one of the Councillors represented that the Supervision of [illegible] Collections undertaken

by the Municipal Councillors, by the Sanitary Inspector is against Natural and is disgraceful to the Council itself Though this Subject was not included as one of the Subjects for discussion and 7 days previous notice was not given when the member presented this representation at the time of the Meeting yet the Municipal Council have in their meeting dated 31.10.21 (of Course during the absence of the President) resolved that the Sanitary Inspector whose business is only to look after the Sanitation and other works in the town for a period of not less than a week in a month under the orders of the Council, was wrong in supervising the work of octroi Collections undertaken by the Council as he has no powers and that he should not do so in future and that Sanitary Inspector should be made known of this.

8

The Sanitary Inspector was made Known of this Resolution He Continues to Supervise over the work as per orders of the President till a Vice President was appointed and until Contrary orders were issued by the Undersigned The Same matter was again discussed in the next meeting that is on 30-11-21 and a resolution was passed to the following effect This meeting was also Conducted during the absence of the President" Resolved that a report Should be Submitted to the President District Board in order to take necessary steps against the Taluk Sanitary Inspector for having Checked the work of the Municipal Councillors again in 2 Phases This is against discipline and disgraceful to the Council itself " The explanation of the Sanitary Inspector is herein enclosed

for kind perusal the Sanitary Inspector has worked under my orders as doubts were entertained by the Deputy Commissioner himself owing to frequent applications from private persons willing to take up octroi collections on amounts higher than those collected at present by the Municipality and as circular orders were issued directing the Presidents themselves to check & supervise the collections & directed the Sanitary Inspector to supervise the work of octroi collections myself checking when at Head quarters The Council of the Municipality have taken an objection to such supervision Persons who are taking part in this Collection need not be afraid of any supervision by whomsoever it may be so long as they are upright and honest Every tax payer has a right to supervise

The work of the Council and as such I do not understand why a Sanitary Inspector authorised by the President should not do so It is not possible for me to understand how his action is against discipline and disgraceful to the Council itself The very fact of the Council taking objections throws grave doubts In this Connection I would bring to the notice of the Deputy Commissioner that an acting peon is in a habit of issuing receipts for amounts Collected by him I cannot say that a Servant on Rs 7 + 3 Can be beyond temptation and Some of the Councillors are in favour of him And as such it is absolutely necessary that a proper Supervision Should be exercised over him Some of the Cloth Merchants who frequent Shandies for Sale of their Commodities were selling their goods without payment of any octroi which was brought to the notice of the Vice President by the Sanitary Inspector, and the octroi duty was collected

this instance perhaps threw obstacles in the way of the Councillors & the result was that the resolution above referred to was passed
The Sanitary Inspector has emphatically obeyed my orders and he is perfectly justified. I beg to invite his Kind attention to my Report No 103 of 17 10-21 bring to his notice that the existing Municipal Council is far from Satisfactory and it was left to my choice men who could have better managed the affairs who would have been nominated It is the public that do suffer and it is inevitable so long as the present Council Stands
The resolution passed by the Municipal Council stating that the Sanitary Inspector has no powers to Supervise over the collection of octroi is not based on any principle

It is desirable that it should be withdrawn as there is no reason in their passing such resolution I have already reported that I cannot be held responsible for the Municipal Administration of this Taluk as the Vice President thinks too much of himself though in fact he does not know how to manage the affairs and he does not Carry out my instructions and he holds the octroi Seal himself in Spite of my orders to him for returning the Same as I wanted to Supervise octroi Revenue on cloths and about which a report has already been Submitted

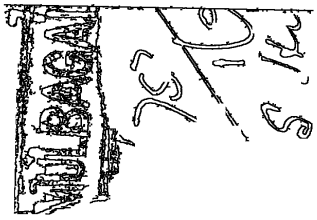
MSR/13-10



, report on the audit of the Mulbagal Municipal Accounts for 22-23 in which certain misappropriation of money was noticed. 79

1. The marginally noted records connected with the auction sale on 14-6-23 of Slaughter house Mutton stalls and shandy gate collections for 23-24 produced for audit show an advance to have been received by Mr. Mohomed Yasin Sub Vice President from the contractors as noted against each. The sales were stated to have been confirmed by the President on the strength of an endorsement of acknowledgment of the advance of two months' Khists having been received from the contractors, but the amount aggregating Rs 160/- received was neither taken to the cash book nor credited to the treasury. A remark on each of the records has been made by the Deputy Commissioner under his initials dated 20-9-23 to the effect that Mr. Yasin Sub Vice President says that he has not received the amount. The present President of the Municipality Mr. K Subba Rao Naik having suspected the action of Mr. Mohomed Vice President overhauled on

-epal Office from Chavadi to Taluk Office with permission of the Dy Commissioner. The said records referred to and some of the previous objected bills for want of detailed bills and payees' receipts were caused to be kept in the Cash box lodged in the Taluk Treasury

2. The cheque book used during 22-23 was with Mr. Mahomed Yasin Sab Vice President and the same was not furnished for audit though called for several times Mr. Mahomed Yasin Sab left the place to Bangalore about four days after the arrival of the auditors without sending the cheque book

3 The following bills and payees' receipts relating to the accounts for 22-23 were not forthcoming for audit.

1) Party's acknowledgment was not obtained for Rs 4/- being contingent charges drawn by cheque no 68 dt 3-7-22

2) Payee's receipt wanted for Rs 57-10-0 paid to Messrs Turner & Co Bangalore by cheque no. 88 dt 27-2-23

3) Detailed bills and payee's receipts wanted for Rs 78-12-0 drawn by cheque no. 88 dt 27-2-23 for re-conpment of imprest

4) Detailed bills were not furnished for Rs 93 being contingent charges drawn by cheque no 91 dated 3-4-2

5) Bills and payees' receipts wanted for Rs 4 and Rs 5

and lighting charges drawn by chairman vide y/c dated 3-5-23

In the absence of these bills and payees' receipts, it is not possible to say that the amounts drawn were spent bona-fide for municipal purposes.

4. A sum of Rs 31/- being the approximate cost of old two doors, one window and four wooden beams, was deducted out of the prepared estimate of Rs 431/- for reconstructing rear rooms of the Municipal Office and the estimate was sanctioned for Rs 400/- The work was completed at a cost of Rs 428-14-0 and passed to the Contractor. The old materials were stated to have been sold by auction. The sale records relating thereto were not forwarded, nor the amount realised was shown to have been credited to the Treasury.

5. A sum of Rs 10/- was drawn from the Municipal imprest on 27-2-23 by Mr. Sukhomoy Jasim Dab, Vice President for purchasing cyclostyle papers &c. On enquiry it was stated that neither the cyclostyle papers nor any other articles for that amount were purchased. The imprest was not accounted though the return of the amount drawn from it was more than seven months ago.

Sir,

I beg to Submit that I was elected Vice president by the municipal Council of Mulbagal and my electio was duly approved by the Government owing to party feeling in the town I was not occupying a bed of roses these two years, as the official presidents voluntarily or otherwise played themselves into the hands of the opposite party. And the climax has now been reached

Mr- K Subba Rao Naik, The acting Amildar of Mulbagal taking upon himself the cause of the defeated Candidate and the Brahmens ha come out with tooth and nail to exterminate the Mohammadens And in furtherance of his object he has committed acts which do no credit to the appointment he holds To come my story On the 5th inst.- I Sent a Municipal cheque drawn in my favour to be cash at the local treasury and when the Mun servant was returning from the treasury Rs 300-8-0 the Amildar president relieved servant of the money and Sent him his as I Subsiquently learnt. On the 2nd and 3

away from the headqu

and during this period the whole of the municipal records and furniture disappeared from the municipal office Subsequent to my complaint on the matter to the police, I learn that they have found their way to the Amildar magistrates private Chamber on both these matters I have made seperate referance to the police

I beg leave to bring to the notice of Government that I have not only been deprived of all the records and furniture but that the whole of municipal staff has been taken away from my Control and the municipal office staff has been locked by the president Thus in effect the Amildar has deprived me of the appointment which the Government had graciously conferred on me

Subject in brief.

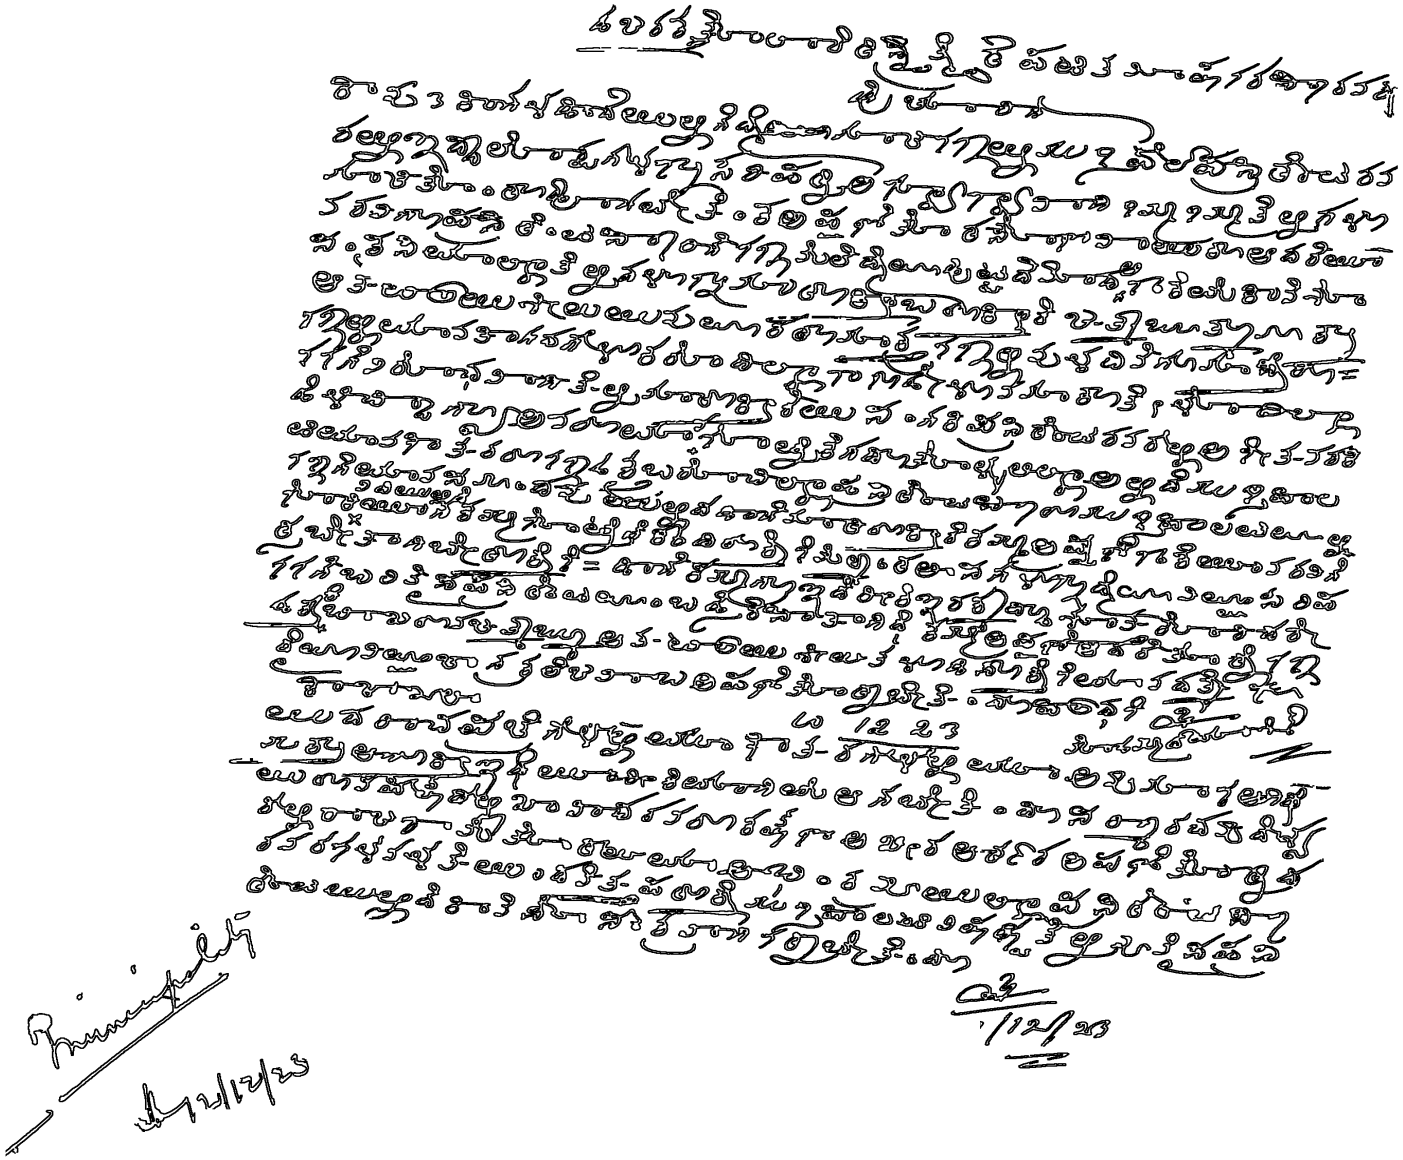
No 576 dated 13.10.1923.
L.N.D.

Sir,
C. General No.---
I have the honor to invite your kind attention to the communication noted in the margin and to request the favour of a very early reply in the matter

I have the honor to be,
Sir
Your most obedient servant,

for Assistant Comptroller

COMPTRO.C.1.050-21 6.22



87

The President,

Municipal Council,

Mulbagal.

Sir,

With reference to your No. 195/23.24 dated the 25-th February 1924 I have the honor to report as under.

1. Before submitting my explanation on the several points refered to by the Deputy Commissioner, Kolar, in his memo No. Oc. 762/23.24 dated the 23rd February 1924, in detail, it seems to me to be necessary to report on certain other connected facts though briefly. The nature and value of my explanation will also become clearer by these facts.

2. The first non-official vice-president was a Brahmin gentleman. There were about 9 (nine) serious charges against him, including misappropriation of octroi collections I was one of the signatories to the complaint. All the charges were substantiated. The Vice-president was obliged to resign. I was elected vice-president in his stead Mr Subba Rao Naik the present Brahmin exoffico President soon after his advent to Mulbagal joined in a conspiracy with the Ex-Vice-President and wilfully started a systematic persecution against me. As a first step in this direction, about the month of August last the exofficio president withdrew almost all my powers and duties without the knowledge and permission of the Munipal Council. He also took back the cheque-book from me.

3. After some correspondence with the president I made a reference to the Comptroller who decided that the Cheque-book must be left with me. Thereupon the President very reluctant-ly returend the Cheque book

4. Early in September last during my absence from the station and with out my knowledge and consent the President removed from the municipal office all the municipal records and furniture first to his house and thereafter to his chamber in the Taluk Office. On my return to Mulbagal I found the municipa

Office empty and nobody could enlighten me as to how the records and furniture had disappeared.

5. Shortly after this incident I issued as usual a cheque for about Rs 300/= for establishment and other charges and while the Daroga was returning to me with the money the President forcibly took the money from him. I reported these facts to the Govt as they appeared to me of rather a serious nature.

6. Subsequently at a meeting the municipal members resolved that the conduct of the municipal clerk was highly disobedient towards the Vice-President and that he should be suspended. But the President did not care to record this resolution, whereupon the members feeling this to be a serious insult left the meeting in a body.

7. Some time after this incident the members met in the municipal building and passed certain resolutions and submitted copies thereof to the Deputy Commissioner. The president on the next morning went to the Municipal building cleared it of whatever it contained, locked it with his own lock and finally placed a Police guard to guard the building night and day.

8. I now beg to enter upon the explanation called for. I shall submit my explanation itemwar.,

9. (a) Items 1-5-6-7-8-9-10 and 11. These relate to the maintenance of cetain office Registers. It is the duty of the clerk to maintain the Registers correctly and properly. I pointed out to the President on several occasions that the clerk was not doing his work properly that he was an incompetent hand. Since he was the selection of the President he took no notice about my complaints but on the other hand he got all Registers and records removed from the Municipal Office to his chamber in the Taluk Office. I had consequently no access to the records and registers. I am therefore not responsible for this irregularities.

(b) Item 2. I have done every thing in my power to collect the khists and where I had not been able to collect the amounts I have completed the records. It is for the President to take further steps in the matter or to recommend for the remission of the amount if

he thinks fit

(c) Items 3 and 4. These deposit amounts were not received by me. After conducting the sales I made the usual endorsements but afterwards discovered that the parties had not paid the deposit amounts. As there were no bidders locally for mutton stall and slaughter house contractors, I had induced some contractors to come from Kolar and Bethamangala. There was no time for resale, so I took mutchalikas from these contractors binding them to pay up the deposit The facts were explained to the president who confirmed the sales.

(d) Item 12. I was not aware of the arrival of the auditors. The President did not communicated to me that municipal cheque book for 1922-23 was wanted. It is a fact that I was absent from the station for 5 (five) days.

(e) Item 13 The office was audited on 13-12-1922 and this item of Rs 4/= was not objected at that time. The required receipt may be now obtained from the party concerned if one has not already been taken.

(f) Items 14-15-16 and 17. The bill vouchers and receipts relating to these items were in the records. The President and his clerk who removed the registers and records from the municipal of during my absence must account for their absence. If need be duplicat vouchers may be easily obtained from the parties concerned

(g) Item 18. This sale record was in the office, without the sale record it is not possible to say any thing from memory at this distant time.

(i) Item 19. This is the same as item No 5.

I beg to remain
Sir
Your Most obedient Servant

Municipal Vice. President

2 April 1924

Memo 2-24 of 4/4/1924
23/4

90

Submitted to the Deputy Commissioner Kolar with reference to his No OC 762/23-4 dated 23-2-1924 and in continuation of this office No 211 dated 22-3-1924, Mr Mohamad Yasin Sahb explanation in original, received yesterday

With regard to Para 1 & 3 thereon, I beg to state with permission, that it must have often come to the notice of the Deputy Commissioner that this is the only plea of defence he brings forward, when ever he is asked to explain anything, big or small, slight or serious. None of the powers are withdrawn from the Vice President

With regard to para 4 the records were not removed to the house and there was no other alternative for me, as President of the Municipality than to take immediate charge of the Municipal records & to my direct Control and remove them to the Taluk Office under the circumstances detailed in my reports Nos 128/5-1-1924 150/13-1-24 and 220/1-4-1924, after bringing the same to the notice of the Deputy Commissioner

With reg to Para 5 - the fact that I asked the Manager to disburse the amt in my presence to the clerks, mamals and

Sweepers to who was the present in the office has been explained like this, as the complaint was not allowed to be taken by him have as usual to be disbursed whenever, whatever & whom ever it be liked

4 With respect to 6 & 7 - My above reports, I beg to submit, have analysed the points clearly

5 With respect to query :-

The Deputy Commissioner knows very well that the clerk Venkatasamiah was the special selection of the Vice President. Though I applied for his transfer the Deputy Commissioner would not change him till the Vice President gave his consent to this. Though I wanted to punish this clerk often for his lapses in independence or mischief, the Vice President would not allow it. A glance to the office memo Book makes the point clear

6 With regard to the missing records, vouchers & amounts and non-maintenance of accounts & registers he brings in; as usual, the removal of these things to the Talak office without his knowledge and Consent But these irregularities refer to the period long before the office was formed from Chevady, and the auditors from the Comptroller's Office have pointed out these errors

This is
Yes
Yes

~~and~~ also of previous occasions

7 With ref para 9(b)- No steps were taken before, for the recovery of these Khut dues for years. Now it is seen that almost all these defaulters are either bogus contractors or ~~papers~~ paupers or the amounts must have been received long ago and not credited to Treasury

8 With ref to para 9(c)- these deposit amounts were received by the Vice President, and also made me believe that they were credited as noted by him in clear letters. As he was allowed sufficient time he must have subsequently made proper 'Bandobast' with the parties the matter maybe referred to the Competent Court even now, if the authorities still feel doubtful about the fact that the facts were explained to me before I confirmed the sale, is nothing but a wise manufacture to entangle the honest & the innocent

9 With ref to para 9(d)- He was informed of this, often.

10 With ref to para 9(b)&(e)- He has himself admitted before the Deputy Commissioner while this office was inspected in September 1923 that 'Dawah' furniture etc were being prepar.

Ans for the amounts drawn by him years ago & likewise with regard to the printing charges & cyclostyle papers & ink etc. for the amount drawn by him through his then clerk who also admitted that he paid the sum to the Vice President

" With reference para 9(g) - All the records were and are made available for him.
